Wraparound News

We have been delighted with the growth of our Wraparound provision. Staff have created a lovely family environment, where children can relax, do their homework, play with friends, as well as enjoying a healthy breakfast and tea.

It was always our hope that once it became viable, Wraparound would be run independently by an appropriate registered and qualified person.

We are delighted to have a member of staff interested in managing this facility, and ensuring it maintains very strong links with school and pre-school.

We are willing to consider of expressions of interest from others. If interested, please email Debbie Challinor (Head Teacher): enquiries@potterhanworth.lincs.sch.uk by 12 noon on Monday 25 February.

PTA

We are incredibly grateful to our amazing PTA for their support. Their recent Move Night raised over £160 for school resources.

They have several ideas for exciting events over the coming months . . . further information will follow.
