COVID 19

The Government have issued their Key Worker and Vulnerable Child criteria, which is as follows:

IF IT IS AT ALL POSSIBLE FOR CHILDREN TO BE AT HOME, THEN THEY SHOULD BE

Guidance for Parents

Children with at least one parent or carer who are identified as critical workers by the Government can send their children to school if required. For information of what has been published for parents, please see: <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/closure-of-educational-settings-information-for-parents-and-carers>

Vulnerable children are defined as:

Those children who are supported by social care, those with safeguarding and welfare needs (including child in need plans), on child protection plans, 'looked after' children, young carers, disabled children and those with education, health and care (EHC) plans.

Please note that the expectation of presenting symptoms and self-isolation are still in force with those attending the setting.

If either of your child's parents/carers falls into the Key Worker category, you will need to evidence your Key Worker status – this should be through employment ID or a letter from your employer. Please could you email the school (enquiries@potterhanworth.lincs.sch.uk) immediately. (Please email, even if you have already advised us.)

We will consider all requests with the evidence available as best we can.
