

Curriculum News

KS2 Terms 1 & 2

Maths

Throughout KS2, the children will build upon their existing knowledge of the fundamentals of maths. Children will be taught to approach mathematical concepts through concrete, iconic and abstract representations.

All children will be developing their fluency, problem solving and reasoning skills within the concepts. They will also be given the opportunity to apply their skills beyond maths lessons in cross-curricular ways.

All of these elements will lead to the children showing *mastery* of the subject, as well as developing *greater depth* skills.

Religious Education

Y3/4: 'Incarnation' and 'God'

Y5/6: 'Salvation' and 'Incarnation'

Spanish

Across KS2 children will be revising previous learning.

Y3/4: Food, drink, likes and dislikes, introduction to some commonly used verbs.

Y5/6: Food, drink, ordering in a café/restaurant, building on knowledge of commonly used verbs.

British Values

We have a strong school ethos and promote the spiritual, moral, social and cultural development of our children. We do this through our collective worship, pupil voice groups and activities both within and beyond the classroom.

P.S.H.E

Throughout KS2 we will be covering aspects within the 1Decision programme of study.

Home Learning:

Due to the nature of home learning and resources available please be aware that changes may occur during this time.

Our Big Question:

Why Is Britain Great?

Topic

Y3/4: Vikings & Anglo Saxons' and 'Romans'

Y5/6: 'WW2' and 'Victorians'

Throughout our topic sessions we will focus on geography and history skills and knowledge. We will also use our topics as a base for cross-curricular learning.

Science

Throughout the Autumn Term Science will cover aspects of a range of scientific areas and give the opportunity for scientific enquiry.

This will include but not be limited to:

Y3/4: 'Rocks' and 'States of Matter'

Y5/6: 'Animals & Living Things' and 'States of Matter'

Physical Education

In light of Covid-19 updates to guidance information will follow in weekly planning.

Children will also be taking part in our 'Fit in 15!' sessions (Monday—Thursday), which will cover a range of physical activities and skills.

English

Writing: Throughout KS2 the children will be taught about the features of a variety of genres. They will also learn writing techniques which will strengthen their writing to make it more appealing to a variety of audiences. There will be a focus on planning and editing to communicate their ideas in organised and coherent ways.

Reading: We will encourage the children to read a variety of fiction and non-fiction texts whilst developing their comprehension skills through discussions within whole class, guided and individual reading opportunities.

Art

Across KS2 children will be encouraged to use a variety of mediums, techniques and skills when exploring learning through art.

Music

Across KS2 children will be learning how to incorporate the fundamentals of music into their own compositions.

We are also hoping that LMS will be able to work with Y5/6 during Term 4.

Computing

Y3/4: Introducing word processing skills and coding

Y5/6: Developing word processing skills and coding skills

Parent Zone

Please be aware that spellings will be given out and collected on a Wednesday.

Please make sure children are accessing TTRS frequently at home throughout the week.
