

2022 Year 1 Curriculum Newsletter—Terms 3 and 4

Science / STEM

Inspired by the Questioners books, we will be investigating in lots of different ways. Our main focus will be on materials.

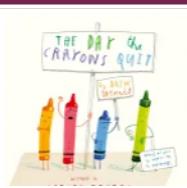

What makes a good leader?

Maths - Problem solving using:

- Numbers to 20
- Capacity
- Time
- counting in 2s, 5s, 10s
- Fractions (1/2 and 1/4)
- Shape

Art

In Spring 2 we will study portraits and colour.

History and Geography

- London
- The 4 countries of the UK

- The Queen
- The Royal Family

English

Using London based books, we will be reading and writing in both narrative and non-fiction styles.

Our focus will be on including capital letters and full stops, adjectives and the conjunction 'and'.

Please continue to read regularly.

DT

Investigating buildings, beginning with the London Landmarks and moving on to homes and bridges. We will then learn how to design and construct our own.

Computing

The children will begin to learn to code by programming Beebots and debugging when things go wrong.

PE – Dance and Games

Our PE day is Thursday

Music

- Composing with instruments
- Singing

RE – Islam

What do Muslims learn about Allah and their faith through the Qur'an?

What celebrations are important to Muslims?
