Music – Composer study, composing

[Click here to view key knowledge](#)

Benjamin Britten was an English composer, conductor and pianist. One of his famous compositions is *The Young Person's Guide to the Orchestra*. It was originally an educational piece meant to teach children about all of the different instruments in the orchestra.

Edward Elgar was also an English composer. One of his best known compositions is the Enigma Variations. Elgar wrote the short musical variations to reflect the people around him
